(*b*) No.

(*c*) The award proceedings are being completed and the case stands at the stage of award proceedings.

Sri RAJA PID NAIK.—May I know the reasons for such a long delay in giving award and when compensation would be paid ?

† Sri M. V. KRISHNAPPA.—The land was acquired in 1946. For 10 years he did not ask for compensation. He wanted government land *in lieu* of land acquired. He was given a substituted land. Then the villagers near about objected saying that the land given formed tank bed. So, the order was cancelled and the party asked for compensation. It was found that the records had been lost in the Police Action. Now records are built up and it is in the award stage now.
